The background of the entire page is a photograph of several origami cranes. In the foreground, a yellow crane with red floral patterns is prominent on the right, and a blue crane with green and white patterns is on the left. Other cranes in various colors are visible in the blurred background.

The Japanese art of folding paper into decorative shapes and figures is called “**Origami**”. **Origami** has a rich history of tradition and creativity in Japanese culture. Each symbol has its meaning. Because of this, an origami crane represents a long, healthy life.

... According to legend, if one thousand paper cranes are folded, it is said that one’s wish will be granted. After the atomic bombing of Hiroshima, the **Origami** crane also became a **symbol of peace** and nonviolence
