Out-of-class room and in-  
classroom experiences  
via technology

## CCI Special

#4  
ENGAGE  
SERIES

Don Bosco National Forum for the Young at Risk

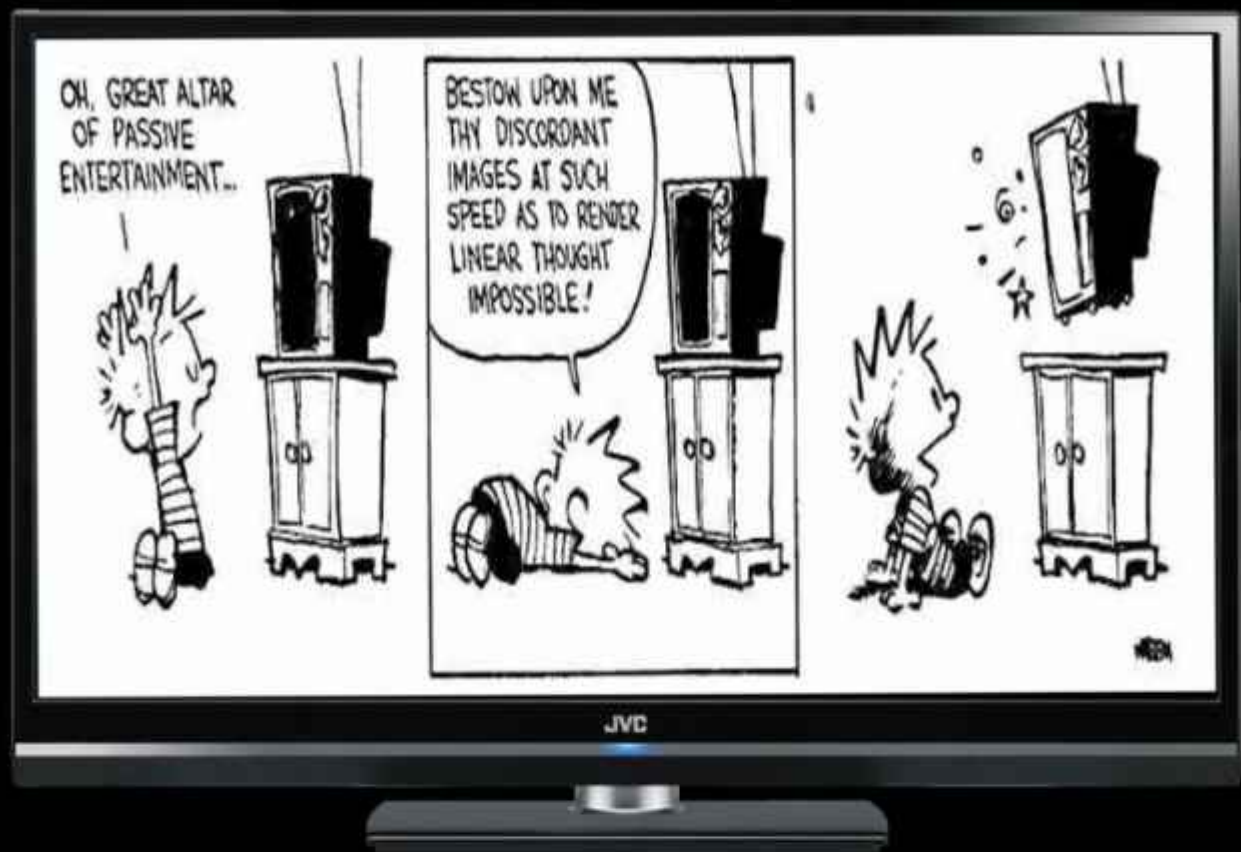

## **TELE - EDUCATION**

The primary objective of tele-education is to inculcate concept-based learning by way of interaction through satellite system covering the core subjects. This fills in the lack of skilled teachers through various mediums such as internet, intranet, audio or video tape, satellite TV. DB YaR Forum recommends the CCIs and parents to use such mediums for the benefit of the children.

Compiled by : Mr. Jaimon Joseph

Media Coordinator, DB YaR Forum
